

INDEMNITY FORM
(for Junior, Ordinary, Full and Life Members)

CONDITIONS OF USE

1. Keys are the responsibility of the member (or parent/guardian) named below.
2. It is the responsibility of those holding keys to ensure that members using Club equipment satisfy the safety regulations at all times, and that members (and parent/guardian) use the Club premises in a responsible manner.
3. Members and others using Club premises and equipment do so entirely at their own risk.
4. A deposit of £7 for keys is required and will be refunded on resignation and return of keys. Keys may not be transferred or lent.
5. For safety reasons, keys may not under any circumstances be used by scullers under the age of 14. Such scullers may of course use the premises and boats when accompanied.
6. The club is covered by public liability insurance. However, the Club cannot accept any responsibility for loss and damage sustained by injury or damage, however caused, and it is emphasised that members (or their parents or guardians if they are under 18) are entirely responsible for their own safety, and for the care of the boats, when using club premises.
7. Members must be able to swim 50 metres wearing rowing kit.
8. Members must inform the committee of any illness or disability which could affect their use of the Club.

I have been supplied with and have read a copy of the notes for members, rules covering the issue of keys to the Boathouse and the use of boats. I fully understand that the use of club premises and boats will not necessarily be supervised in any way by an adult at any time, and that the Club cannot be responsible in any way for the safety of members either on or off the water, and that every member uses the Club premises and equipment entirely at his/her own risk. I confirm that the member can swim 50 metres wearing rowing kit and I consent to being issued with a set of keys in accordance with these conditions.

To be signed by member (or by parent/guardian if under 18)
